

| Club | Grade Range | Time | Description | Moderator | Location |
|-------------------------|--------------------|--------------------|---|-----------------------------------|------------------------|
| Art Club | 1-3 | Tuesday 3-4pm | Students will have the opportunity to explore various forms of art including sculpture, murals, painting, drawing and much more! Students will experiment with texture, shape, color, and line as they challenge their creativity and create works of art that will decorate St. Col's, serve as gifts for family and friends and demonstrate their unique talents! | Ms. O'Grady | Library |
| Destination Imagination | 1-3 | Monday 3-4pm | Destination Imagination will engage students in critical thinking and creative problem-solving as they work together in small groups to solve a unique challenge using Science, Technology, Engineering, Performance and Visual Arts and Mathematics. Destination Imagination challenges students to work as a team to achieve a common goal with limited resources. | Mr. Kelly | Elementary Science Lab |
| FitKids | 1-3 | Wednesday 3-4pm | A pairing of fitness and fun designed to promote lifelong good habits. The club intends to utilize children's natural desire for movement in order to educate them about how to move well and enjoy doing it. It also aims to help children become healthier, more complete athletes by developing their basic skills, such as running, jumping, and catching along with teamwork and good sportsmanship. | Ms. Roche | Gym |
| Field Hockey | 1-5 | Thursday 3-4pm | The goal of the Field Hockey Club is for students to enjoy learning the rules and game of field hockey. Through practice and games, students will learn about sportsmanship while making friends and having fun! | Ms. Murphy and Ms. Planchon | Field |

| | | | | | |
|----------------------------|-----|--------------------|---|--|---------------------|
| Games Club | 2-3 | Monday 3-4pm | Games club is for grades 2 and 3 and will be a chance for children to play different board games. The goal is to have children learn to play competitively and practice social skills as well as make new friends. They will be exposed to different types of board games and learn to work together and use different strategies to play the games. | Ms. Martin (Terms 1 and 3) and Ms. Warner (Term 2) | Ms. Martin's Room |
| Junior Choir | 2-3 | Wednesday 3-4pm | Junior Choir gives opportunities for second and third grade singers to participate in Mass music parts as well as music performances outside of the school. Junior Choir performs in the Christmas Nativity, BC Sing It To The Heights, and the End of the Year Show. It also prepares second and third grade singers who are interested in joining Choir in fourth grade and up. It's a wonderful club where students get to sing their souls out! | Ms. Park and Ms. Betts | Ms. Park's Room |
| Girl's Engineering | 3-5 | Tuesday 3-4pm | This club provides an opportunity for girls to explore the world of engineering through hands-on projects that challenge their creativity and math, science, and technology skills. We will be using Goldie Blox and other materials to brainstorm, create, design, and test projects selected by the club members. Students will also have an opportunity to learn about career options related to engineering, and meet women currently working in the field. | Ms. Birnberg | Ms. Birnberg's Room |
| Strong Women, Strong Girls | 3-5 | Thursday 3-4pm | The mission of Strong Women, Strong Girls is to empower girls to imagine a broader future through a curriculum grounded on female role models delivered by college women mentors, who are themselves mentored by professional women. Strong Women, Strong Girls strives to support positive mentoring relationships between college woman and pre-adolescent girls in local communities with the vision that every girl realize her inner | Strong Women Strong Girls | Ms. Park's Room |

| | | | | | |
|--------------|-----|--------------------|--|------------|-------------------|
| | | | <p>strengths to dream and do. Please note that running dates for Strong Women, Strong Girls will be slightly different than those for our other clubs. The club will run from September - Late November and from February - Early May. Exact dates will be published when they are available.</p> | | |
| Running Club | 4-5 | Tuesday 3-4pm | <p>Running club offers students the opportunity to enjoy exercise and learn the team dynamics and basics of running cross country or track. We will meet weekly each Tuesday to run short distances around the Brighton community and learn about training and running exercise.</p> | Ms. Warner | Ms. Warner's Room |
| Sports Club | 4-5 | Monday 3-4pm | <p>Students in sports club will have the opportunity to participate in a variety of different sports. Each student is expected demonstrate respect and sportsmanship to all participants.</p> | Mr. Otto | Field/Gym |
| Book Club | 4-6 | Wednesday 3-4pm | <p>Book club will be focused on analyzing, critiquing, and exploring top-rated books in the fantasy (term 1), historical fiction (term 2), and mystery (term 3) genres. During each trimester, we will explore one genre, delve into the background story of each other, and discuss a few incredible books. The club will focus on developing students understanding of each genre, appreciation for the craft and structure of the various types of writing, and building students confidence during open circle discussions. The club will include artistic responses, oral discussions, journal prompts, and more. If you are interested in sharing your love of reading with others, please join us!</p> <p>Please note that students will need to bring their own copies of the chosen books to book club.</p> | Ms. Ransom | Ms. Ransom's Room |

| | | | | | |
|--------------------|-----|--|---|---------------------|------------------|
| Archery | 4-8 | Monday 3-4pm September 12- October 3 | Working with USA Archery certified instructors from On the Mark Archery, students have the opportunity to learn the fundamentals of archery including safety, skill technique, range procedures, scoring, healthy competition, and camaraderie. During the four-week program, students are instructed through a variety of skill-based games and individualized instruction in order to learn the art and sport of archery. Cost: \$88 | On The Mark Archery | Field |
| Art Portfolio Club | 4-8 | Thursday 3-4pm | In Art Portfolio Club, students will work on many different art skills including some community projects. Explore your own specific art interests and build your skills in a fun, relaxed setting with others that enjoy art as much as you do! | Ms. Falconer | Art Room |
| Chess Club | 4-8 | Tuesday 3-4pm | Chess Club and playing Chess teaches students crucial lessons in critical thinking, problem solving,executing solutions, a win-win attitude and how to think ahead. These skills and character traits are often found in the best students in any field of study and will be used in all careers including politics, ministry, military, sports, science and research, business and administrative as well as all fine arts. Throughout the year, Chess Club will be holding various tournaments and studying various strategies and thought processes with fixed variables juxtaposed against unpredictable variables. | Mr. Braxton | Dining Hall |
| Dance Club | 4-8 | Wednesday 3-4pm | Explore the world of dance by learning styles such as ballet, tap, jazz, modern, Broadway jazz and many more. Learn routines, play dance games, and choreograph your own routines! Perfect for all levels of dance experience, from beginners to experienced dancers! | Ms. Moran | Ms. Moran's Room |

| | | | | | |
|-------------------------|-----|--------------------|--|--------------|---------------------|
| Destination Imagination | 4-8 | Wednesday 3-4pm | Destination Imagination will engage students in critical thinking and creative problem-solving as they work together in small groups to solve a unique challenge using Science, Technology, Engineering, Performance and Visual Arts and Mathematics. Destination Imagination challenges students to work as a team to achieve a common goal with limited resources. After working on their first challenge for several weeks students will perform their solution for club judges and peers and participate in a feedback session aimed at learning from one another in preparation for the next challenge! | Ms. O'Grady | Library |
| Digital Media Club | 4-8 | Tuesday 3-4pm | In Digital Media Club, students will be exposed to a variety of different forms of digital content. We will learn coding using Scratch and Google CS First, practice digital design and 3D printing, and explore other topics depending on student interest. This club is designed for students who want to be self-directed learners and who have an interest in technology. With tech jobs projected to grow over 20% by 2020, Digital Media Club is not something that you want to miss! | Ms. Coenraad | Ms. Coenraad's Room |
| Drama Club | 4-8 | Tuesday 3-5pm | In the first term we will be working on improv. Improv helps students to actively learn the art of improvisation and comedy, which uses games and songs to create situations made up on the spot. During our club we will learn several new games every week and grow together as a group. Improv has been proven to increase confidence, listening and observation skills, enhance creative thinking abilities, and improv public speaking abilities. Through laughter and games, we learn to make the other person more important than ourselves, and the freedom of saying yes! For terms 2 and 3, we will focus both on performing plays that have | Ms. Krane | Ms. Krane's Room |

| | | | | | |
|---------------------------|-----|--------------------|--|--------------|---------------------|
| | | | <p>already been written, as well as creating our own new works of art through improvisation and creative storytelling. Drama teaches students how to build communication and public speaking skills, how to engage hearts and minds through story, and how to work together as a team to create an artistic experience. Drama Club runs for 2 hours from 3-5pm.</p> | | |
| Engineering Club | 4-8 | Wednesday 3-4pm | <p>The goals of Engineering Club are for students to gain a better understanding of what engineers do in the world today and explore important aspects of structural engineering throughout the year. Students will use what they learn to build structures and expand their thinking. Engineering club gives students the opportunity to work in teams and make some new friends while having fun.</p> | Mr. Jaehnig | Mr. Jaehnig's Room |
| Gardening and Hydroponics | 4-8 | Monday 3-4pm | <p>Hydroponics Club aims to teach children the increasingly popular art of growing plants without soil! Children will explore the basic requirements of hydroponics and conduct various experiments to determine best practices. The children will also eventually utilize the school garden to grow various plants in soil and will compare their crops to those grown hydroponically.</p> | Ms. Roche | Ms. Coenraad's Room |
| Go Girl Go | 4-8 | Wednesday 3-4pm | <p>Sponsored by the National Women and Girls in Sports Foundation, GoGirlGo! brings female students from Saint Columbkille together with Boston College athletes from a variety of sports. During the 90-minute sessions, students are able to work in small groups with the athletes in order to participate in fun exercise while learning about positive body image and gaining higher self-confidence.</p> | BC Athletics | Field |

| | | | | | |
|----------------|-----|---------------------------------|---|--------------|-------------------------|
| Jewelry Making | 4-8 | Monday 3-4pm | Learn and create many different types of Jewelry including beading, clay, metalwork, fibers, and recycled materials. Learn how to use different jewelry making tools such as jewelry pliers, jump rings, crimps, polymer clay, and glass beads. | Ms. Falconer | Art Room |
| Knitting Club | 4-8 | Term 2: Tuesday 3-4pm | Knitting is not just for your grandma anymore! In Knitting Club, students will be instructed on basic knitting techniques and are given a place where they can experiment with elementary knitting stitches and work toward creating a knitted creation of their own! | Ms. Coenraad | Ms. Coenraad's Room |
| Rock Climbing | 4-8 | Term 2: Thursday 3-4:45pm | During rock climbing club a 12 person mini bus provides transportation to Central Rock Gym, Located in Watertown. Once students arrive at the gym they are taught how to tie specific knots, belay, and climb, under the supervision of an instructor. Cost: \$110 | Mr. Otto | Central Rock Gym |
| Ski Club | 4-8 | Friday 3-8pm | Six Friday evenings throughout the winter students take a bus to Nashoba Valley Ski resort where they have the opportunity to rent equipment and learn how to ski or snowboard. Each student is required to participate in a 45 minute ski lesson followed by an hour of free ski time around the mountain. Registration for ski club is preliminary and more information about the club will be released in the late fall. Cost: To Be Determined | Mr. Otto | Nashoba Valley Ski Area |

| | | | | | |
|---------------------------|-----|--|--|--|---------------------|
| Strategic Games Club | 4-8 | Thursday 3-4pm | In Strategic Games Club, students will learn how to play a variety of strategy based games. This will help students build their critical thinking skills, an important life skill for all students to develop. Students might also play games in teams, strengthening their ability to work (and work successfully) with other students of varying grade levels. | Ms. Capo | Ms. Capo's Room |
| Strength and Conditioning | 4-8 | Term 2: Thursday 3-4pm | We will work to improve flexibility, coordination, agility, and strength through games, body-weight exercises, and circuit training. The goal is to help students become stronger and faster to improve their performance in any sports they play. | Ms. Colford | Gym |
| Homework Club | 5-8 | Monday - Thursday 3-5pm | Homework Club offers students a quiet place to complete any assignments that they are given throughout the day. Computers are available for students who need them to complete assignments and additional support is available through tutors and the teacher moderator. Homework Club is open to Loyola Academy (6th - 8th grades) between 3 and 4pm and open to 5th - 8th grade students between 4 and 5pm. | Varies | Varies |
| Rowing | 5-8 | Monday and Thursday 3-4:15pm September 12 - October 13 April 24-June 1 | Rowing club takes place during the spring and fall. Community Rowing provides transportation to their facility on the Charles River just a few miles away from Saint Columbkille. During this club students are able to row on 12 person barge on the Charles River. Participants learn how to properly row and work together in order to successfully navigate the boat. Please note that rowing runs from 3-4:15pm in order to allow for transportation time to Community Rowing. | Mr. Jaehnig (Mondays) and Ms. Coenraad (Thursdays) | Community Rowing |

| | | | | | |
|---------------------------|-----|-------------------------------|---|-------------|--------------------|
| Cross Country | 6-8 | Tuesday and Thursday 3-4pm | The cross country team will train for and compete in races against other middle school teams. In cross country, athletes run in the woods, on roads, and in fields, and compete together for the best team score. The club will help students set and meet goals, challenge themselves, stay physically fit, work together with their teammates, and enjoy the sport of running. Please note that Cross Country meets on both Tuesday and Thursday and students should plan to attend both practices in order to be prepared for meets. | Ms. Colford | Loyola Academy Lab |
| Middle School Intramurals | 6-8 | Thursday 4-5pm | Students in intramurals will have the opportunity to participate in a variety of different sports. Each student is expected demonstrate respect and sportsmanship to all participants. | Mr. Otto | Field |
| Millionaires Club | 6-8 | Term 2: Tuesdays 3-4pm | So you finally hit it big and have a million dollars! What do you do with it? The stock market is an exciting but confusing place. One day it is setting a record, the next it is crashing. Why does this happen? Kids will learn about how the stock market works by actually investing an imaginary amount of money in companies that they select and research. Kids will understand why a high tech stock has greater reward, but also greater risk, than a company that makes toothpaste. Students will also learn about bank savings accounts, mutual funds, bonds, real estate and lots of other investment types. The goal is to educate kids about basic financial literacy and have fun! | Mr. Donahue | Mr. Donahue's Room |
| Soccer | 6-8 | Term 1, Tuesdays 3-4pm | Kids love soccer and the new field at STPCS gives us a wonderful opportunity to get students playing some organized soccer. Mr. Donahue has coached and played soccer for many years and will instruct kids on proper techniques, run various training drills and | Mr. Donahue | Field |

| | | | | | |
|-------------------|-----|-------------------------------------|--|-------------|--------------------|
| | | | let the kids scrimmage. We hope to have some games against other schools as well. | | |
| Tennis | 6-8 | Term 3, Tuesdays 3-4pm | A club that provides students with the opportunity to learn and enjoy a lifelong sport, Tennis Club is a great chance for students of any level to learn the basics of tennis and develop their skills while having fun, too. | Mr. Donahue | Field/Court |
| Track and Field | 6-8 | Tuesday and Thursday 3-4pm | Students will explore the sport of track and field by trying out a variety of running, jumping, and throwing events. The team will train for the BC Race to Educate and this year we hope to enter some track meets with other middle school teams. The goal is to expose students to many different events so that they can find their own strength and athletic ability and challenge themselves by trying out new events. | Ms. Colford | Loyola Academy Lab |
| Boy's Basketball | 7-8 | Tuesday 4-5pm | Boys basketball is offered for students in grades 7-8. During this club students have the opportunity experience what it is like to be part of a team over the course of an entire basketball season. This club requires attending weekly practices and nearby travel on the weekend. Cost: \$60 | Mr. Otto | Gym |
| Girl's Basketball | 7-8 | Monday 4-5pm | Girls basketball is offered for students in grades 7-8. During this club students have the opportunity experience what it is like to be part of a team over the course of an entire basketball season. This club requires attending weekly practices and nearby travel on the weekend. Cost: \$60 | Mr. Otto | Gym |
